Student trips sponsored by The Bridge Student Ministry are designed to be a fun time to get away from our everyday lives. We spend time together having experiences that we might not get a chance to have at home. Being a part of trips is a great opportunity for each of us. The following are some guidelines (a.k.a. rules) that we all agree to abide by when participating in a trip sponsored by The Bridge Student Ministry.

- The Bridge Student Ministry has a zero tolerance for drugs, alcohol and tobacco. There will be no drug, alcohol, or tobacco use of any kind by any student participating in a trip. Don't bring them, don't use them.
- It is a little cliché, but "no purple". Boys and girls will conduct themselves appropriately. Boys may not be in girls' rooms and vice versa. Physical contact must be appropriate (adult chaperones are the judges of appropriateness).
- Participants will dress appropriately. This means: modest two piece bathing suits, no spaghetti straps, no "cheeker peekers", and we don't want to see your underwear.
- Respect is expected at all times. Participants are expected to treat one another with respect. Of course, adult leaders will be respected at all times. When an adult makes a decision, it is final.
- Follow "The Golden Rule". It's in the Bible and we expect you to abide by it. Treat each other like you want to be treated.
- Meeting times are not suggestions. Be where you are supposed to be when you are supposed to be there.
- Clean up after yourself. Remember, you are a representative of our ministry. Leave a place better than you found it.
- Remember the 3 C's: Cooperation, Compromise, and Consideration. Be considerate of one another, be willing to compromise, and cooperate!
- Remember the 4th C: Confrontation. Don't talk behind each other's backs. If you have a problem with someone, confront the person in love. If you need help confronting another person in love, ask a leader to help you.

I have read and understand The Bridge Student Ministry Student Trip Guidelines. I agree to abide by these guidelines. I understand that if I break a rule, the chaperones and leaders will decide on a case by case basis what needs to be done.

I also understand that if I have or use drugs, alcohol, or tobacco on a student trip, I will be sent home immediately at my parent's expense.
